We are always happy to hear your suggestions for additional courses, please contact us and we'll see what we can do!

Classes fill up quickly so please book early to avoid disappointment.

None of our courses are residential and we strongly recommend that you arrange accommodation before you come to Cornwall, especially in the Summer months. There are lots of lovely places to stay in St Austell or Fowey which is very close to the school. Tourist Information will be able to help you to make arrangements and you can call them on 01726 879500 or 01726 833616. You can also find some places to stay on our accommodation page.

Please take note of our cancellation policy and call us to check availability BEFORE making your booking.

The school is a non-smoking environment. Smokers can smoke outside, we have picnic tables on the patio.

We are currently not wheelchair accessible and students with disabilities should enquire about the suitability of the courses prior to attending.

You can book online using our secure booking system from the links on the Dates and Prices page or you can send us a cheque with your booking form. If you want to pay by cheque, please call first to check availability. Please make cheques payable to MCSJ.

Gift Certificates are available, you can buy online using our secure booking system, email or call us to discuss your requirements.

Looking for a unique event for a special birthday party? We can cater for groups of six people at a time, and children must be aged 10 or over. The birthday group can spend the day making silver jewellery to keep. We can usually finish a couple of nice pieces of jewellery in just one day, even with no prior experience. These days are safe, fun, affordable and a very unique party idea. We can also take digital photos of the young silversmiths at work so you have a photographic record of the special day. Email or call us to discuss your requirements.

PLEASE PRE BOOK ALL EVENTS
