of Jewellery**

---

### **Enamelling Class**

This is a two day class.

You will be using torch and kiln firing methods on silver and copper blanks. You will learn how to prepare your metal for enamel, and various techniques to achieve different effects. Some of the techniques you will learn are cloisonné, sgraffito and the 'wet process'.

Your tutor for this class will be Maria Morris

### **Things to consider before booking this course...**

The course is appropriate for jewellers with some experience.
