### Hen Weekends

Are you getting married and looking for something a bit different for a hen party? Brides-to-be and their friends can make their own jewellery for the big day!

You can now book a day or two at the Mid Cornwall School of Jewellery and make contemporary fashion jewellery to wear on your wedding day.

### Things to consider before booking this course...

This course is suitable for complete beginners.

The cost of a day in the workshop for you and your friends is £50 a head with a minimum of six people. This includes exclusive use of the workshop and one of our experienced tutors, basic practice materials and all the tea and coffee you can drink! Once you've had a good practice, you can design your pieces and there will be a small charge for your materials. This will depend on your designs and the average cost per person is £10. For this you can make several pieces with beads, crystals and pearls.
